Dear Public Housing Resident:

This letter is to address HHA operations as we begin to increase program compliance activities. The HHA office is now fully open to the public 8:30-4:00 Monday-Friday. Generally, we are resuming regular schedules for inspections and lease renewals and requiring verification of items traditionally required by HUD.

While we all begin to transition back to normal operations, please understand that the HHA can make exceptions if needed in particular situations. Public health remains a priority. Many of the temporary changes to the program approved by HUD can be utilized by the Hudson Housing Authority on an as needed basis. Please contact the HHA if you need exceptions due to Covid-19.

If you do not still have it, the original letter addressing temporary changes is posted on our web site at www.hudsonhousing.org. The HHA did extend many of these waivers to be applied on an as needed basis. These items and their available extended dates are also on our web site in a checklist form which was provided by HUD. Please contact the HHA if you have any questions.
