

The Norma Oliver Elderly/Handicapped/Disabled Project is located at 4 Glen Road on a 10 acre slightly rolling wooded tract of land. Ninety-two (92) one-bedroom units are located in six buildings with a centrally located and landscaped community building.

The two story fifteen (15) and sixteen (16) unit apartment buildings are similar in size to estate type houses. Each building has its own laundry facility (one washer and one dryer per building).

Each unit features a modern bath and kitchen, including a stove and refrigerator. Tenants are responsible for their own electric bill. All other utilities are included. Ample parking is provided for all buildings.

A typical unit's measurements follows below. The window measurements are as follows:

Living room bay window  
Bedroom window(s)

60" tall x 96" wide
